

Outside of higher education institutions, numerous affiliated organizations have further developed frameworks for implementing and supporting COIL initiatives throughout colleges and universities across the U.S.

- d. Detailed description of the planned COIL activity
 - e. Preferred platform(s) for modality delivery (D2L, Google classrooms, etc.)
4. Course Outline or Syllabus: Attach a proposed draft course outline or syllabus, highlighting the proposed changes. This is not included in the 3-page narrative limit.
 5. Outcomes and Impact:
 - a. Clearly identify the outcomes you plan to achieve with the COIL project.
 - b. How many students will be impacted per year by your COIL initiative?
 6. Sustainability Plan: Once implemented, how frequently do you plan to offer this COIL project? What are your plans to continuing it or expanding into other COIL initiatives?
