- Name Change on I-20

If your name has changed you will need to:

1. Change your name on your passport (attach copy of new passport to this form)
2. Change your name with NWC admissions office in ORB 100
3. Complete this form and return it to ORB 111. You will be contacted when your new I-20 is ready to pick up.
4. If your F-1 visa had not expired you can continue to travel with the visa (issued in your previous name). Immigration officials at the port of entry will need to see documentation of both names so carry both your new passport and the passport issued in your previous name, along with any other documentation of your legal name change, with you when you travel.
