

---

1) Pick a School

- a. Look up any requirements for transfer students to that school – like do you need to get an associates at NWC first?
- b. Your notes:

2) Pick a Major

- a. Look up any pre-requirements for enrolling in that program at a university – list those classes below. Also print a copy of the 4-year course plan or suggested courses for Freshman and Sophomore students.
- b.
